

HOW TO USE RESORT REALTY'S QUICK VIEW TOOL

Resort Realty's Quick View Tool, gives you the ability to get all the details you need on the home of your choice without ever leaving the search results page! Using the quick view tool is as easy as 1, 2, 3...

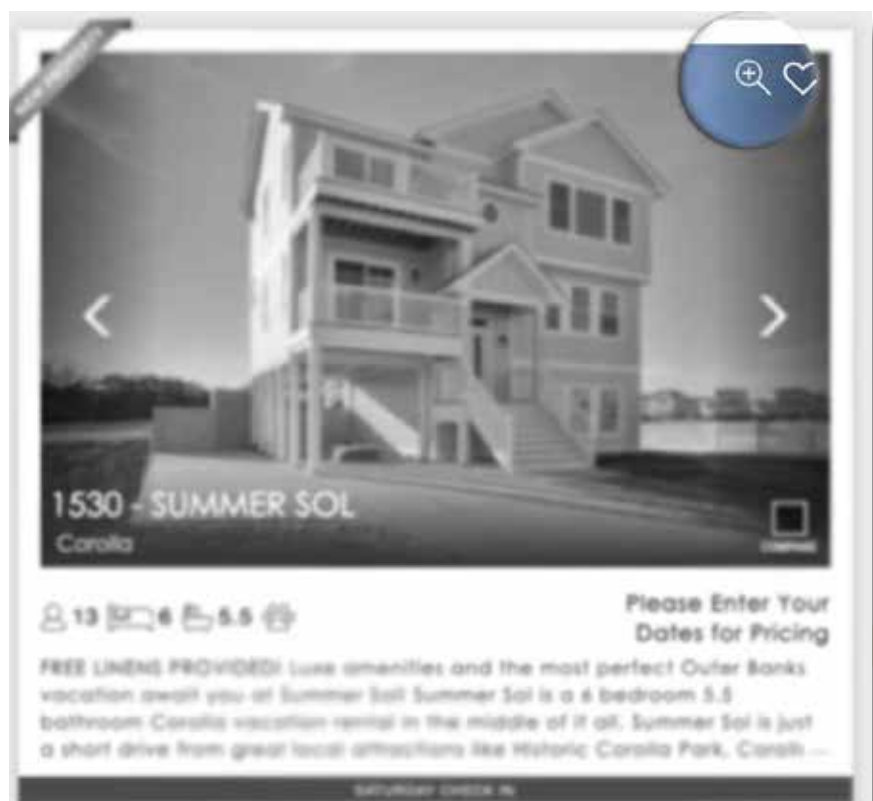

Step 1

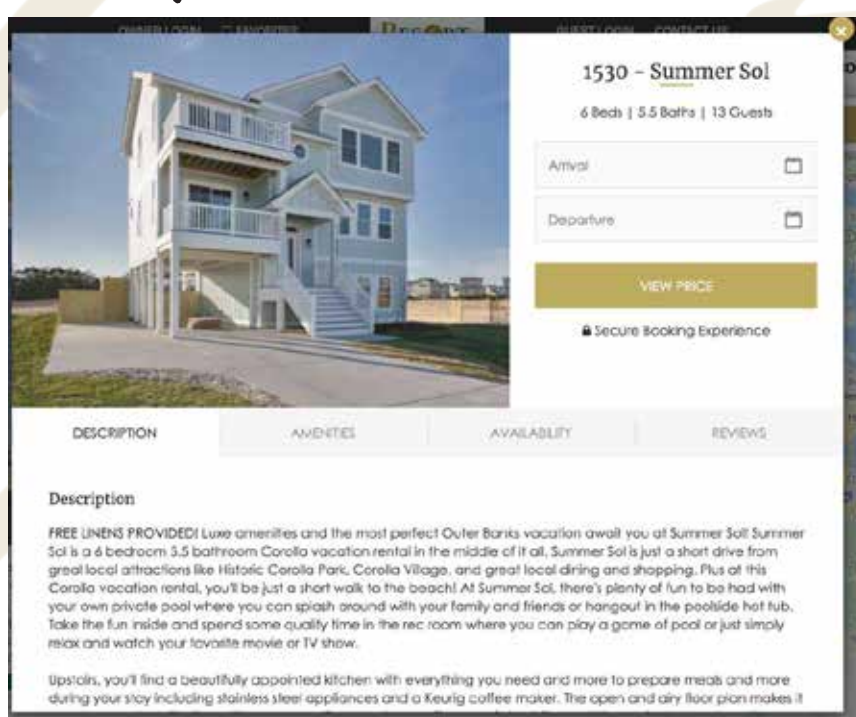

Begin your search on resortrealty.com. You can search by a specific date, town, location, or specific property. We decided to search for property "1530"

Step 2

Once your search results load, click the magnifying glass in the top, right corner of the property you're interested in.

Step 3

After you click the magnifying glass, the quick view prompt will open. Here you can view property details, amenities, availability, pricing, AND book without even leaving your search page!
